Dear Harlandale families,

As the new school year begins, it's important to remind your children about how to stay safe walking to and from school.

Please take the time to review appropriate safety measures with your children, reminding them of the following tips:

- Do not accept rides with strangers or people you do not know very well.
- Students should always be aware of their surroundings, especially when walking alone.
- If students are walking to and from bus stops in the dark, they should do so with a buddy.
- Young children should walk with an adult.
- Older children should walk with a friend or in a group.
- Watch for cars at every driveway and intersection.
- If students are approached by strangers, they should avoid a conversation and report the incident to an adult immediately or call 911.
- Do not accept candy or gifts from strangers.
- Never go anywhere without telling your parents first.

The safety of our students is our top priority. We also want to let you know that the Harlandale Police Department 24-hour hotline is available at (210) 932-7233(SAFE). Thank you for your support.

Sincerely,

Rey Madrigal
Superintendent
